Building on the FIFA spirit, Amkette has launched a range of flash drives that come in the shape of football jerseys. The drives come in a 4GB capacity, and are available in three colours – red for Spain, yellow for Brazil and white for England. The drives are USB 2.0, come with plug-and-play function, require no drivers to be installed and work on practically any OS. The drives also come with a lanyard for easy attachment to your mobile phone or key ring. Now you can carry the FIFA spirit wherever you go!
